100\$

TYPES OF GAMES

1) PREDICT AND WIN

In this Contest Join Any Room . After That Toss Will Be Done.

If You Win The Toss You Will Get a random Coin From Binance with a start rate. Then You Will Have To Predict Whether Coins Price Will Go Up Or Down In Next 60 Seconds.

If You Choose Long Direction , The Other players Bet Will Automatically Be Placed in The Short Direction. The Rate Of That Coin After 30 Second Will Decide You Win Or You Loose

For Example Currently Coins Price is **1\$** and after **60** seconds it is **1.6\$**

And You Chose The Upward Direction

Then You Win

TYPES OF GAMES

2) LOOSE TO WIN

Do You Think You Are bad at prediction ?
Then this is the game for you

All Rules Of this game are same as the earlier
One except the loser Wins and Gets His Money
Doubled Instead of the Winner

TYPES OF GAMES

Best trader is a skill based game.

There will be Contest For 10, 20, 50 and 100 people in a pool.

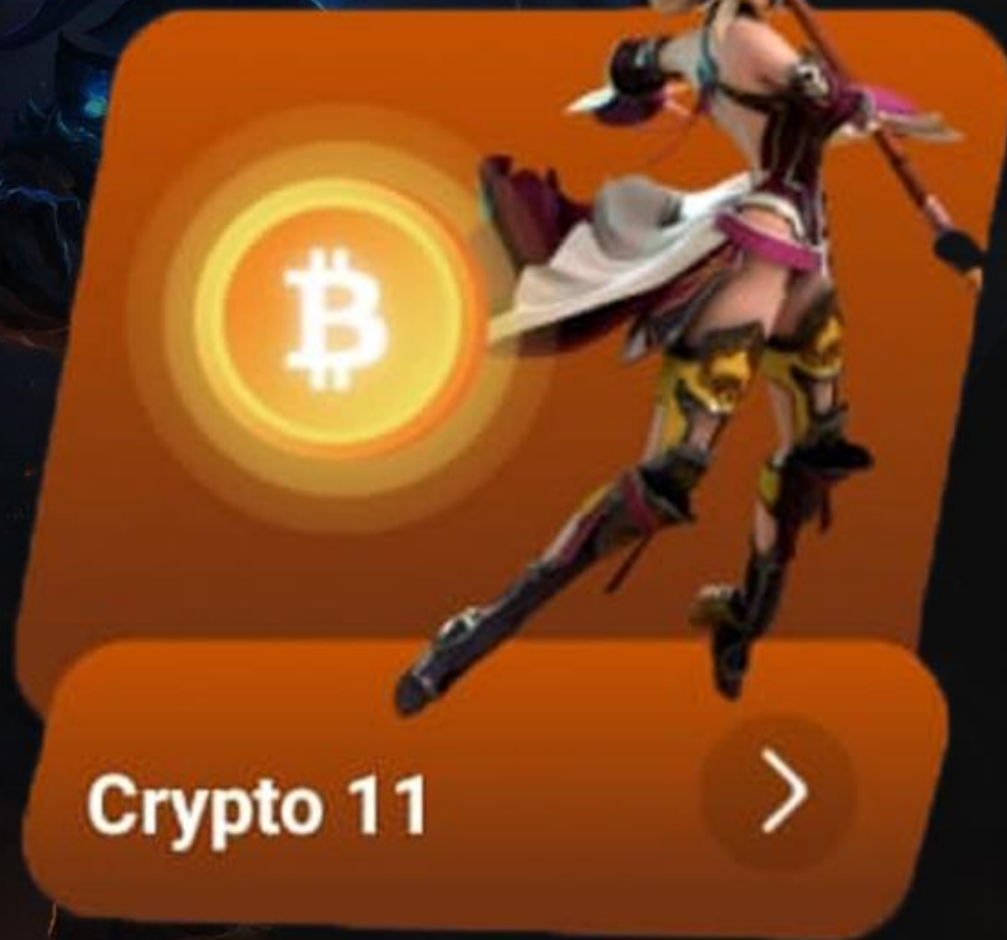

Each member contribute same amount in a pool.

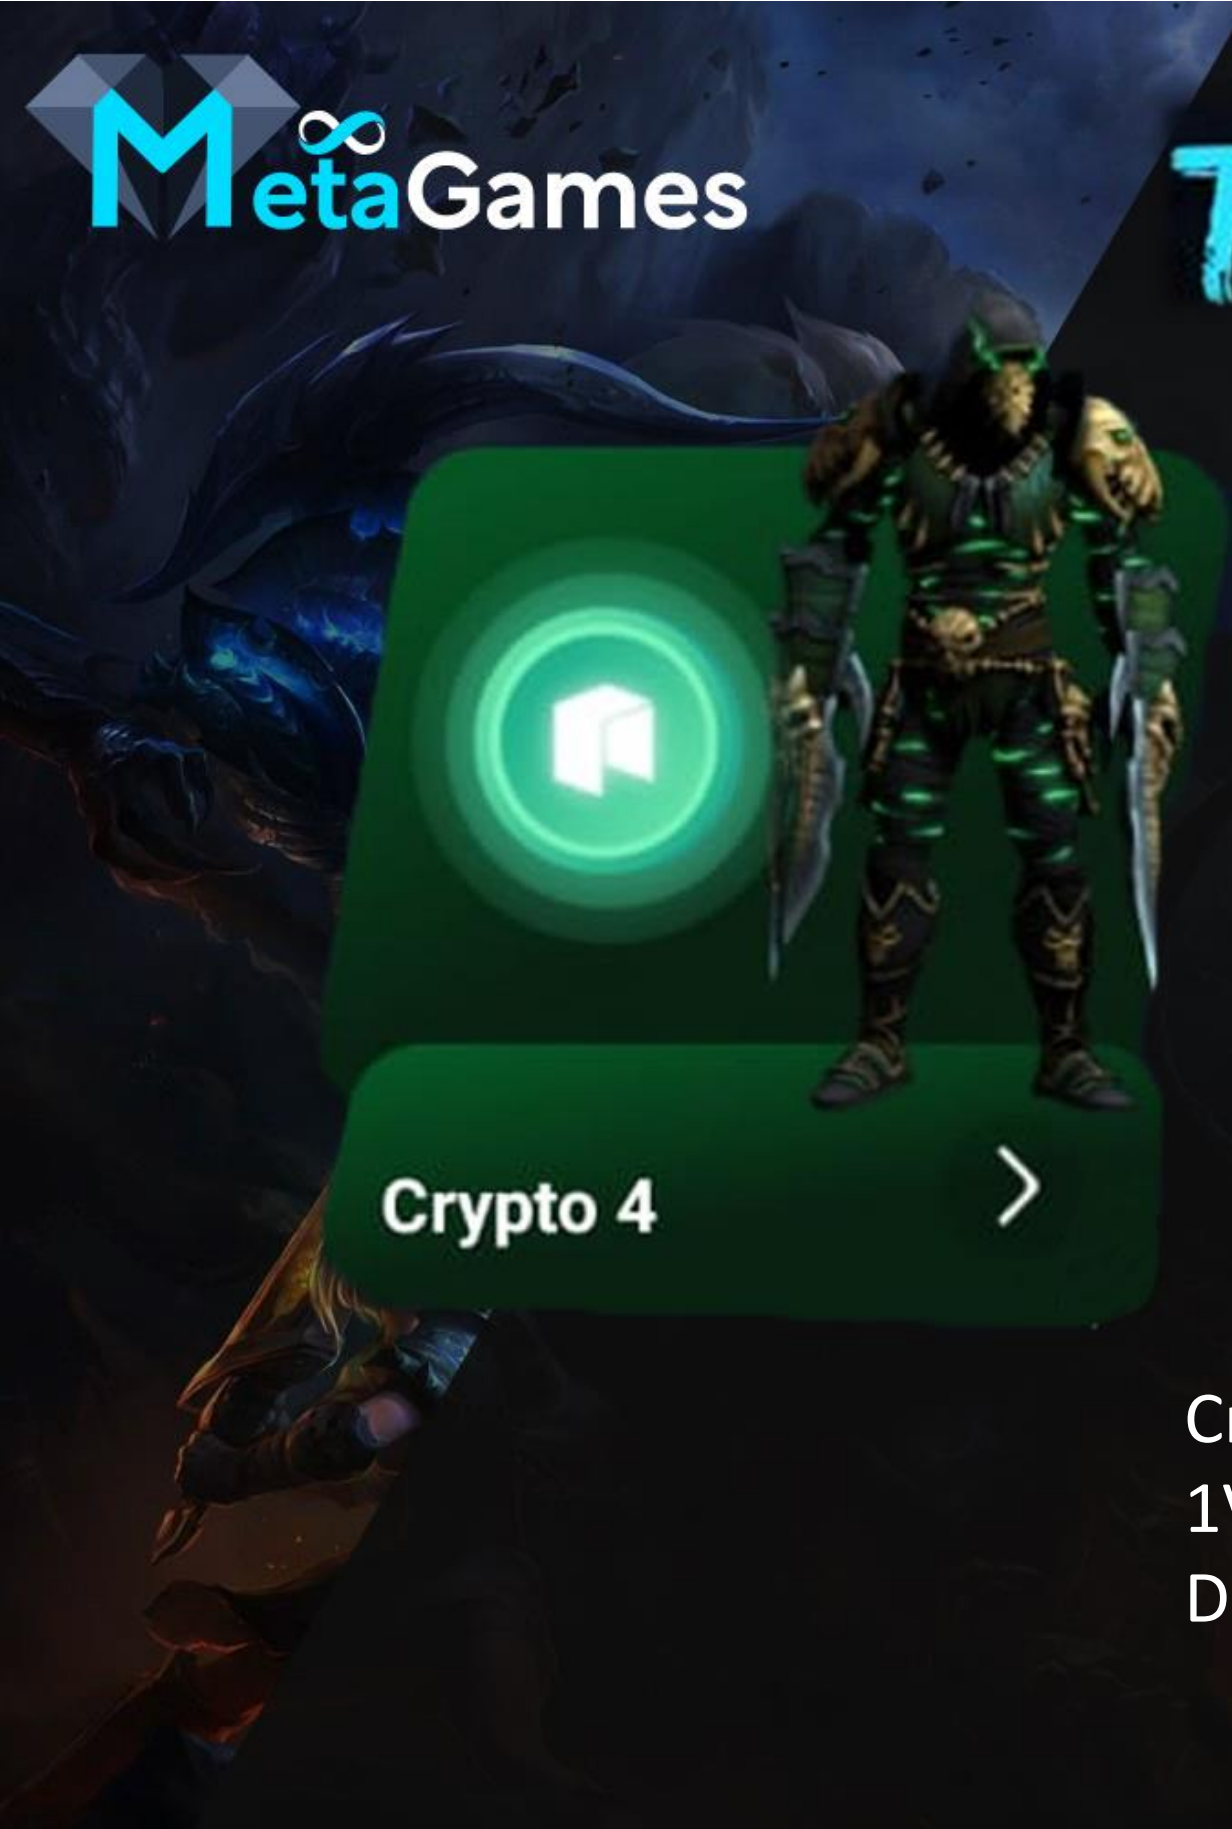

System give 120 different coins, each member should select 11 coins, analyze the chart and speculate or predict in next 1 hour, those 11 coins selected will go up.

After 1 hour, the best traders who speculation comes true will be selected as winners on the basis of the coins they selected. And there will share pool money according to 1st, 2nd, 3rd, 4th and 5th positions respectively depending on the pool type.

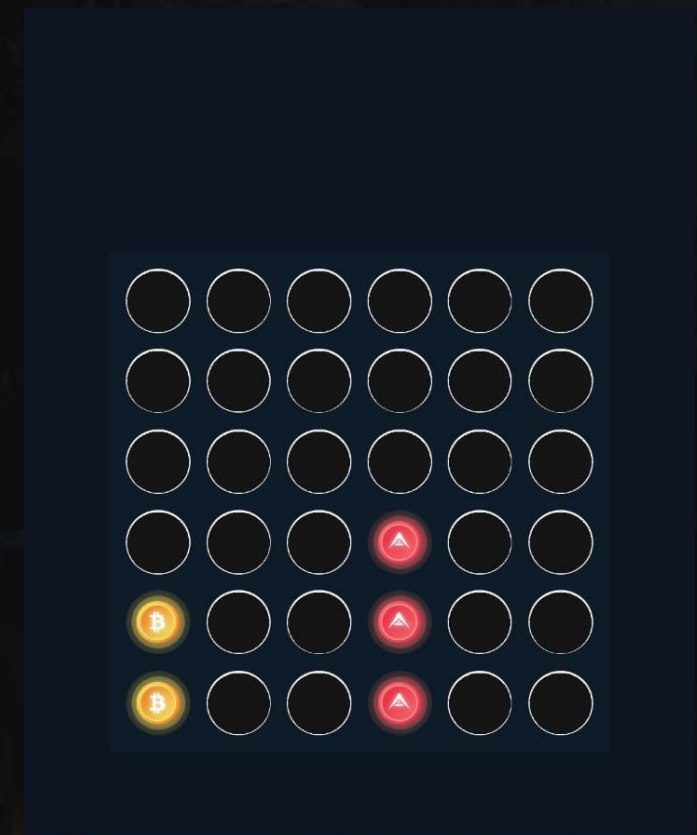

Traders' room is for everybody. System Will Get You A Random Coin to speculate or predict. There will be buyers Team and sellers Team as well. You Can Join In Any Of The One Sides. After 1 hour, the group who Wins His members Will Get Benefits As Per The Ratio of There Amounts Invested. They will share winning amount according to number of people in the group and ratio of your amount added.

This game is played every 1 hour. Every Hour Even If There Are 2 Persons Available To Play The Game Will Be Played.
